JULIAN BYRD — Manager

Somebody has figured out that the average boy who is dependent upon his parents for a livelihood until he reaches the age of twenty-one years costs them \$4000, says an exchange. On this basis of calculation a brood for instance, of six boys would represent an outlay of \$24,000 by the time they get away from the home roost. The question arises, does it pay to raise boys, and are there no other crops that would prove more profitable? If a boy turns out to be a cigarette fiend with a breath like a turkey buzzard and a laugh that would make the untried denkey feel perfectly at home in his society, and with an untrammeled and unconquerable desire to avoid work, it is safe to say that his parents might have invested their \$4000 at a much better advantage. But if the boy grows up to manhood with the lesson well learned that wealth and success grow only on bushes watered by the sweat of one's brow, the parents need not begrudge whatever they have spent on him, for he will be a source of increasing pride and joy to their hearts, and when they grow old and their hands tremble and their legs wobble and their step is slow and faltering, they have two strong arms to lean upon and to help them over all rough places that lie in their twilight path.

Extraordinary Clubbing Proposition

The Times-Herald, the Republic and any one of the following papers one year for \$3.00 if paid this month: The Semi-Weekly Oregon Journal of Portland, the Weekly San Francisco Examiner, Thrice-a-Week New York World.

The Times-Herald has decided to make this a bargain month and offer some exceptional clubbing rates. To all who pay their subscription one year in advance during this month we will send the Twice-a-Week Republic of St. Louis, an entire year free.

There are but few editors in our state who have not made a vigorous and continuous fight against the city mail order house. This has been done in the interest of the honest merchant and without money and without price. If the editors of the land had received regular advertising rates for all they have said against these enemies of the country merchant they could now be wearing diamonds. Now the department store man appreciates advertising space and is willing to take all the average country editor has for sale, and at a good price. What other class of business or professional men would refuse business to help their friends, especially as many of said friends never seem in the least disposed to return the compliment or even appreciate it—Oregon Argus.

DO IT NOW.

Every Heart-Ache

Every pain in the breast, difficult breathing, palpitation, fluttering or dizzy spell means that your heart is straining itself in its effort to keep in motion. This is dangerous.

Some sudden strain from over-exertion or excitement will completely exhaust the nerves, or rupture the walls or arteries of the heart, and it will stop.

Relieve this terrible strain at once with Dr. Miles' Heart Cure. It invigorates and strengthens the heart nerves and muscles, stimulates the heart action, and relieves the pain and misery.

Take no chances; make your heart strong and vigorous with Dr. Miles' Heart Cure.

"I suffered terribly with heart disease, have been treated by different physicians, but with no results. I went to a physician in Memphis, who claimed that I had destroyed the heart. He took the X-ray on me, and in connection with his medicine he came near making me give up the ghost before this a Mr. Young, of St. Louis, was in our town. He saw my condition, and recommended Dr. Miles' Heart Cure to me. I gave it little attention until my return from Memphis, when I found myself so much relieved to say three bottles cured me."

CHARLES GOODRICH, M.D.

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that it is a safe and reliable cure. If it fails to give you relief, return it and we will refund your money.
